About Me

I'm a seasoned management professional who is passionate about **problem-solving**, teamwork, and continued learning. During my experiences, I've cultivated my strengths in **developmental planning**, **project management**, and **leadership**. In my free time, I'm often listening to music, gaming, and trying new restaurants.

Experience

Area Manager L5

Amazon @ Columbus, OH (2021-2023)

Responsible for **creating and executing weekly site plans**, maintaining a **high-functioning Amazon site**, management development, and **analyzing inventory data reports to proactively drive reduction regarding inventory loss/waste costs**.
